

ARCHERY

BRIDGE II SPORTS

"I DON'T KNOW
WHERE I WOULD BE
WITHOUT THIS PROGRAM.
IT TURNED MY
WHOLE LIFE AROUND.
I JUST BECAME THAT
ATHLETE AGAIN
THAT I USED TO BE."

From beginners to advanced shooters, all ages and abilities have a place on the line during Bridge II Sports archery clinics.

Expert trained instructors from the Guilford Bowhunters Club and Bridge II Sports work one-on-one with each participant to find success on the range. This includes shooting from the seated position, with an amputation or using a mouth pull.

BIIS Archery has become a favorite among local Veterans with disabilities finding camaraderie with their peers while mastering a sport they love.

Bridge II Sports has both an indoor and outdoor range allowing for programming year-round. Due to our 'Playing It Safe' COVID policy the archery programs was able to run weekly and provide a much needed outlet for athletes with disabilities during the pandemic.

With the success of this program, Bridge II Sports is starting a team.
