WHEELCHAIR BASKETBALL BRIDGE II SPORTS

Opportunities for youth with physical disabilities to play team sports are rare and, as you can imagine, the benefits are just as important if not more so than their able-bodied peers.

We are proud of our young players, invested in their development on and off the court, and excited to help them find 'The Player Within' to last a lifetime. Ninety-three percent of our athletes go on to higher education after high school graduation.

Team PRIDE is open to youth with physical disabilities ages 5 through high school. During the season, players practice weekly on Fridays at the Marsh Creek Community Center in Raleigh and participate in competitive tournaments at the prep or varsity level.

**"IT'S A GREAT SPORT FOR
ADAPTATIONS.
IT'S A GREAT EQUALIZER.
ONCE YOU'RE OUT THERE,
YOU DON'T LOOK ANY DIFFERENT
FROM ANYONE ELSE.
AFTER THE FIRST TIME
I WAS HOOKED."**

Bridge II Sports Parakayak Club paddles on beautiful Lake Crabtree County Park in the heart of the Triangle which serves over 300,000 visitors a year.

In a multi-year project spearheaded by Bridge II Sports that brought together corporate and government partners, the lake is now home to the most accessible dock in the country! The dock is the lowest profile dock ever installed by EZ Dock and includes a station that secures a kayak or canoe to allow persons with disabilities to transfer to their watercraft. Seat set-up, supports and stabilization can be done with ease creating independence for paddlers.

ADAPTED CYCLING BRIDGE II SPORTS

Bridge II Sports has a fleet of handcycles, recumbent bikes and tandems that create the opportunity for athletes with all types of physical disabilities, including visual impairments, to experience the freedom of cycling.

Thanks to a dedicated crew of volunteers, the Bridge II Sports Adapted Cycling program is growing exponentially. Trained sighted pilots pedal in tandem with athletes with visual impairments. Others ride alongside on handcycles and recumbents.

From March to October, BIIS utilizes the beautiful American Tobacco Trail in Durham and Green Hills County Park in Raleigh for their popular 'Cycling Saturdays'. The cycling trailer gets noticed all over our Triangle highways bringing gear to programs.

Thank you to Venue Sponsor:

"I CAN FEEL THE AIR IN MY FACE,
HEAR THE BIRDS AND
PEOPLE AS WE RIDE BY.
THERE IS AN ENERGY
TO BEING OUTSIDE.
MAKES ME FEEL ALIVE."

Adapted cycling equipment is expensive with handcycles *beginning* at \$2,500 and requiring regular maintenance to keep them safe and functioning.

Bridge II Sports provides all equipment for sessions and also loans/rents equipment for athletes who find their passion for cycling and want to ride more often. Athletes that participate in 5 cycling sessions receive an official BIIS Adapted Cycling team jersey. Contact our Programs Team to get involved:

ARCHERY BRIDGE II SPORTS

"I DON'T KNOW
WHERE I WOULD BE
WITHOUT THIS PROGRAM.
IT TURNED MY
WHOLE LIFE AROUND.
I JUST BECAME THAT
ATHLETE AGAIN
THAT I USED TO BE."

From beginners to advanced shooters, all ages and abilities have a place on the line during Bridge II Sports archery clinics.

Expert trained instructors from the Guilford Bowhunters Club and Bridge II Sports work one-on-one with each participant to find success on the range. This includes shooting from the seated position, with an amputation or using a mouth pull.

BIIS Archery has become a favorite among local Veterans with disabilities finding camaraderie with their peers while mastering a sport they love.

Bridge II Sports has both an indoor and outdoor range allowing for programming year-round. Due to our 'Playing It Safe' COVID policy the archery programs was able to run weekly and provide a much needed outlet for athletes with disabilities during the pandemic.

With the success of this program, Bridge II Sports is starting a team.

AIR RIFLE BRIDGE II SPORTS

**"YOU CAN HAVE ALL THE THERAPY
IN THE WORLD BUT
YOU NEED TO FIND YOUR PASSION
WHAT MAKES YOU WANT TO RECOVER
WHAT MAKES YOU HAPPY
AND THEN
FIGURE OUT A WAY TO DO IT"**

Bridge II Sports Air Rifle program brings together the ultimate challenge of skill and control for athletes with a range of disabilities.

Each shooter works individually with our expert coaches to find their own way to take aim whether seated, prone, using rifle stands, trigger pulls, or even iPad technology to assist those with low vision to shoot successfully.

Our 10 meter air rifle range is on site at Bridge II Sports allowing our staff to introduce more people to this sport during weekly programs.

ADAPTED GOLF BRIDGE II SPORTS

"AFTER MY LIFE
WAS AFFECTED
BY DISABILITY
SPORTS
MADE ME
FEEL
WHOLE AGAIN"

Fore! Bridge II Sports joins pros from Hillandale Golf Course to tee up athletes of all abilities in one of our most popular programs.

During clinics, athletes find their own way to successfully drive and putt from a wheelchair, with an amputation, from an adapted golf cart, or with a visual impairment.

This progressive, skill-building program starts at each player's current level ultimately preparing them to play on the course.

The season runs with twice-a-month clinics from March to September culminating in playing par 3, 4, and 5 holes.

GOALBALL BRIDGE II SPORTS

Quiet please!
Goalball is a Paralympic sport designed specifically for the blind and those with low vision. All players wear 'blackout goggles' while competing. Players hurl a ball with bells inside toward the opposing teams' goal line. Defenders use their sense of hearing, reflexes and bodies to block incoming shots and quickly return fire toward the opposition.

Bridge II Sports Goalball is a fast-paced, intense sport keeping players active in a team atmosphere. The BIIS Goalball team has competed in regional and local tournaments.
